Hi Ayush,

As per our discussion yesterday, we are planning to have the campus drive conducted on 25th Oct'24, which is Friday.

We need a final go-ahead and the list of students participating in the drive, so that we can have our backend planning done accordingly.

Please update.

P.S. – We need time to prepare the sheet for assessment and also for PI and GIS Sheet which needs to e filled by each student needs to be send to you as well.

An early response would be much appreciated.
