Dear Ma'am,

I hope this email finds you well.

We are pleased to inform you that HCIE will conduct an **Entrepreneurial Bootcamp** on **25th March and 29th March 2024** for the **Himalayan School of Science & Technology (HSST)** students. This Boot Camp aims to educate students on the fundamentals of entrepreneurship and provide impactful learning to foster innovation and an entrepreneurial mindset among them.

The Boot Camp is scheduled from **10:30 AM to 04:00 PM** and will include interactive activities, expert insights, and hands-on learning experiences. Please **nominate and share the list of 40 students for each Bootcamp**.

We request you to confirm the participation of students by 20th March for smooth planning and execution of the boot camp.

Thank you for your support and consideration of our request.

Please let us know if you have any questions about the boot camp.

Best Regards,

Summary: An Entrepreneurial boot camp was organized by Himalayan Centre for Innovation & Entrepreneurship (HCIE) in collaboration with Himalayan School of Science & Technology (HSST) on 25th March and 29th March 2024. The aim of Boot Camp was to educate students on the fundamentals of entrepreneurship and provide impactful learning to foster innovation and an entrepreneurial mind-set among them. The session started by some creative and thought-provoking activities. The Speaker introduced the term 'Entrepreneurship' to students. He further explains- how the term entrepreneurship differs in academic world and on ground. He emphasized on the fact that, in India, Innovation is lacking in entrepreneurship. Innovation culture has to be developed to its best. Mr. Kshitiz invited the keynote speaker of the session: Dr. Amjad Hussain to enlighten students on Innovation, Entrepreneurship and start-ups. He further explained business models through the help of Key Metrics and Growth Strategies. He went deep while discussing problem statements, solutions, Channels, unfair advantages, types of customers etc.

Refreshments (courtesy: HCIE) was also served during the boot camp which kept the participants energized and refreshed throughout the session.

The boot camp was attended by 80 students who participated proactively and had a positive feedback. The event was highly successful owing to its relevance in the Innovation, Entrepreneurship and start up sector. After the session Dr. Swati Rawat thanked Mr. Kshitij Mishra for enlightening the students with the idea about Innovation and Entrepreneurship.

HSST in association with HCIE hopes to conduct more such informative boot camps in the near future again.
