Report on Comprehensive Eye Care Camps at Banheri Tanda & Shyampur, Haridwar

Organized by: Department of Ophthalmology, Himalayan Institute of Medical Sciences (HIMS), Swami Rama Himalayan University (SRHU)

1. Overview

The Department of Ophthalmology, HIMS, SRHU organized a series of **Comprehensive Eye Care Camps** at Banheri Tanda, Shyampur, and Jwalapur in District Haridwar during 2024.

These camps focused on the early detection of refractive errors, cataract, and other ocular conditions while increasing community awareness on preventive and promotive eye care.

The camps also included **student participation**, ensuring hands-on exposure to community-based eye health services.

2. Summary of Activities

Place	Date	No. of Participants
Comprehensive Eye Care Camp at Jwalapur, Haridwar	05 Jul 2024	3
Comprehensive Eye Care Camp at Banheri Tanda, Haridwar	14 Jul 2024	2
Comprehensive Eye Care Camp at Shyampur, Haridwar	11 Aug 2024	1
Comprehensive Eye Care Camp at Shyampur, Haridwar	14 Dec 2024	2

3. Objectives of the Camps

- To provide comprehensive eye screening services to rural and semi-urban communities.

- To detect refractive errors, cataract, glaucoma suspects, and other common ocular morbidities.
- To promote awareness on eye hygiene, preventive eye-care practices, and regular check-ups.
- To offer practical field exposure for students in community ophthalmology.

4. Activities Conducted

- Visual acuity examination using standard charts.
- Screening for refractive errors and common ocular diseases.
- Preliminary evaluation of anterior segment using torchlight.
- Counseling on preventive eye care, nutrition, and safe visual habits.
- Referral of suspected or significant cases to Himalayan Hospital for further evaluation and treatment.

5. Student Participation

Each camp included **1–3 student participants**, who were actively involved in:

- Registration and documentation
- Conducting visual acuity tests
- Assisting the ophthalmic team in screening activities
- Educating community members about essential eye-care practices

This practical involvement enhanced students' **clinical confidence, communication skills, and understanding of community eye health.**

6. Outcomes

- Successful execution of all scheduled eye care camps across Haridwar district locations.
- Identification of individuals requiring further ophthalmic consultation and referral.
- Increased awareness among the community regarding preventive eye care and the importance of timely examinations.
- Enhanced hands-on learning and screening skills among participating students.

7. Conclusion

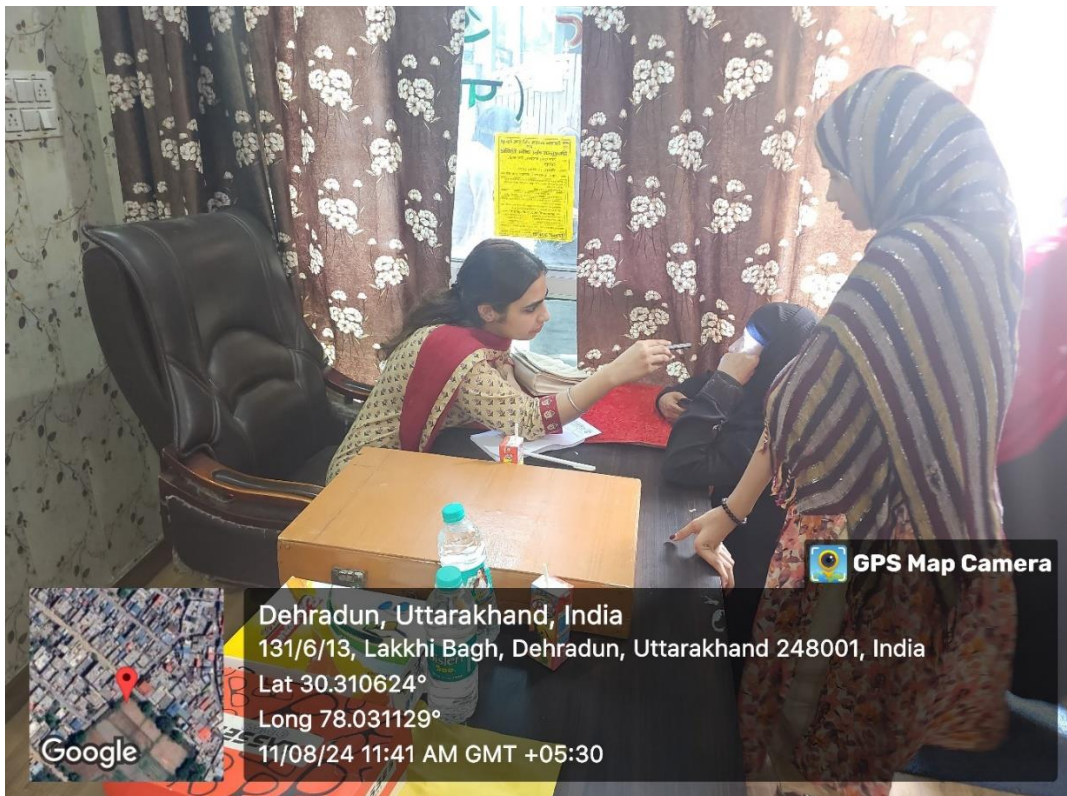

The Comprehensive Eye Care Camps conducted at Banheri Tanda, Shyampur, and Jwalapur by the Department of Ophthalmology, HIMS, SRHU significantly contributed to strengthening community eye health services in Haridwar district.

These sustained outreach efforts reflect the institution's commitment to **preventive ophthalmology, community engagement, and experiential learning for students.**

Glimpse of the Event

Student volunteers conducting eye examination for a patient

Students engaged in eye screening of a patient at the camp

Hands-on learning: Students assessing a patient’s vision

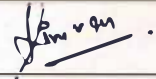

Applied learning in action: Students conducting a vision check-up
